

# ***Advanced Defensive Carry Seminar***

**DESCRIPTION:** This information-packed seminar draws from a wide range of real world experience, proven doctrine and methods for preventing, and surviving potentially lethal confrontations. We pick up where your CPL class left you by giving you detailed information on the following topics;

- **Equipment** – an in-depth look at various holsters, positions of carry, belts, magazine carriers, lights and much more will be displayed and introduced so you become an informed consumer regarding the pros and cons associated with these types of products,
- **Defensive Options** - prevention, avoidance, escape and fighting for your life, including information on non-firearm options for lethal or non-lethal force (OC spray, defensive edged weapons, lights, impact weapons and more),
- **What Happens During & After a Defensive Shooting** - gunfight variables and phenomena, how fast they happen, how that should affect your training and the type of gear you should consider. The aftermath of surviving the criminal and civil implications, the scrutiny of public opinion and the personal and mental issues you may face,
- **Mindset** - a recommended approach for a concealed carry and self-preservation lifestyle.

**DATE & TIMES:** This four (4) hour seminar will be held on Saturday, **December 8, 2018** at CMI (33825 Plymouth Road, Livonia, MI 48150) from **8:00 am to 12 pm**.

**RESTRICTIONS / PREREQUISITES:** This course is open to any law-abiding US citizen who would not be prohibited from owning a firearm under federal law.
